

Dear Students/Parents and Friends,

[Shiamak's Bollywood Jazz™ Workshop in Ottawa](#)

What is the Shiamak's Bollywood Jazz Workshop Batch?

Shiamak's Bollywood Jazz Workshop is a training program for all age groups. During these sessions, each class begins with a 20 minute dance warm-up focusing on stretch and tone, and includes, as Shiamak describes it, "Dancercise" (dance workouts). The next 10 minutes are dedicated towards "technical work" and the remainder of the class caters to training the students for their dance. Students are taught a dance routine to a particular edited Bollywood song and are trained in the finer art of performance.

We have attached below, our class schedule, fee structure and requirements for class for the workshop starting on October 2nd 2009

CLASSES ARE HELD ONCE A WEEK EVERY FRIDAY.
